

Early Childhood Education

Career/Transfer Program

Degree Offered: Associate in Applied Science

Credits Required: 62. Contact: Sue Barrientos, 316.323.6845 Early Childhood Education Lead Instructor, Program Coordinator

Accreditation

The EduCare Center Lab on the Butler of El Dorado Campus is accredited by the National Association for the Education of Young Children (NAEYC). It is a Kansas Quality Rating System (KQRS) five star center.

Requirements

Students must have completed a health physical on the Kansas Department of Health & Environment Form (KDHE) before participating in the required program practicum (CD 223 and CD 224). Criminal checks will be required for all Early Childhood Education students at the beginning of a practicum (CD 223 or CD 213) and/or at the time of employment in a licensed childcare center. All students must achieve grades of C or better in all subjects courses with a CD indicator.

Recommended Course Sequence

Early Childhood Education students must have 9 hours of required courses with CD indicator before enrolling in practicum courses, CD 223 or CD 224. First semester program students with previous childcare experience may enroll in CD 223 or CD 213 with instructor permission. CD 123, Principles of Early Childhood II may be completed before CD 122, Principles of Early Childhood I. Red Cross First Aid Certification will fulfill the HL 130 First Aid 2 credit hour requirement, however the student will need to replace this requirement with 2 credit hours in Early Childhood or approved related courses. CD 222 Childcare Administration should be taken in the last semester of the program.

After Butler

Upon completion, any of our programs in Early Childhood Education will qualify you to direct a center of up to 100 children as well as teach and/or administrate in childcare centers. With a certificate or an associate's degree in Early Childhood Educational you can start a career as a: Child care director, Child care teacher, Special education paraprofessional, Head Start teacher or Early Head Start teacher

EDUCATION

EARLY CHILDHOOD EDUCATION

ASSOCIATE IN APPLIED SCIENCE

Your Butler experience will prepare you to direct a center of over 100 children as well as teach and/or administrate within childcare centers or operate a licensed home daycare.

(work experience must be with preschool-age children in a licensed center, maximum 3 credit hours.)

EARLY CHILDHOOD ASSOCIATE APPRENTICESHIP PROGRAM

Your Butler experience will prepare you for successfully working with children. ECAAP is an apprenticeship program supported by a grant from the Kansas Department of Social and Rehabilitation Services. You'll gain reflective and guided experience in working with children and families. The goal is to raise the quality of child-care by providing college-level early childhood education to childcare workers through education stipends, salary increases and on-the-job training.

Program Information

The apprenticeship program is supported by a grant from the Kansas Department of Social and Rehabilitation Services. The Early Childhood Associate Apprenticeship Program (ECAAP) is open to all interested child care centers in Butler's service area and other selected areas throughout Kansas. Childcare centers interested in developing an apprenticeship program should contact the ECAAP director Kim Werth, Kansas Department of Commerce, 150 N. Main, Suite 100, Wichita, KS 67202, 316.771.6830.

Early Childhood Associate Apprenticeship Career Program
Certificate Offered: CDA (The Child Development Associate Certification) The Department of Labor Early Childhood Associate Apprentice Certificate
Credits Required: 20
On the job training: 4,000 hours

Prior to Admission

Many scholarship opportunities are available. Call The EduCare Center for more information, 316.323.6845.

Requirements

An apprentice is an individual who has applied for and been accepted for an apprenticeship and who, with an employer, has a written apprenticeship agreement.

After Butler

Transfer students should consult with an academic advisor concerning transferring of classes to colleges and universities. Upon completion, any of our associate degree programs in Early Childhood Education will qualify you to direct a center of over 100 children as well as teach and/or administrate in childcare centers. With a certificate or an associate degree you can start a career as a child care director, child care teacher, special education paraprofessional, Head Start teacher or Early Head Start teacher.

Early Childhood Education
