

Types of Scholarships

- 1) **Academic Scholarships:** Eligible students are First-Time, Full-Time, Regularly admitted College Students that have never attended another college since graduating from High School. Summer classes taken prior to your first full time semester will not be considered for Deans or Presidential Scholarship eligibility. Jayhawk Conference Rules require all student athletes to have at least a 3.5 final cumulative GPA. Scholarships will not be disbursed until a final High School Transcript has been received verifying graduation from an accredited school or ability to benefit has been determined. A Scholarship Application is required and available upon request.

- 2) **Foundation Scholarships:** Scholarships provided to the college by private, corporate, and organizational funds administered by the Butler Community College Foundation. A list of Foundation Scholarships and their criteria is available at Butler's Alumni and Foundation web site at www.butlercc.edu/alumni_foundation. A Scholarship Application is required and available upon request. Students receiving Athletic Scholarships may not be eligible for Foundation Scholarships.
- 3) **Vocational Scholarships:** Scholarships provided as an incentive for people who could not or would not otherwise enroll in technical programs at Butler. Awards are available for \$265 for 12 or more hours and \$132.50 is available for 6-11 credit hours. A Scholarship Application is required and is available upon request.
- 4) **Activity/Athletic Scholarships:** Provided by various departments to students who wish to participate in activities such as sports, livestock judging, journalism, theater, music, spirit squad, dance team, etc. These scholarships cover the cost of books and tuition. Individual departments make selection and students should contact the division dean, instructor, or coach for information. Students receiving athletic scholarships are limited to a total of 5 fall/spring semesters and 2 summer semesters.
- 5) **BCC Access Scholarships:** Scholarships provided to students on a first-come first-serve basis who have not attended high school or college in the past 12 months and are not grant eligible. In addition, the student has not earned a college degree. Candidates must be a United States high school graduate. The scholarship covers tuition only for a maximum of six credit hours in one semester. A Scholarship Application is required and is available on pipeline, Butler's webpage, and upon request.
- 6) **Kansas Board of Regents Scholarships:** The State of Kansas provides various scholarships. *Examples: Ethnic Minority, Nursing, State, Teacher, Military, and Vocational.* Applications and a complete list of scholarships are available through their website at www.kansasregents.org. A test is required for the Vocational Scholarship.

All Scholarships and Financial Aid information is available through the Office of Student Financial Aid at Butler Community College. For further information, contact the Financial Aid Office at (316) 218-6260 or 322-3121.
