

## **COURSE OUTLINE** **Cooperative Education II**

### **Course Description**

CH 198. Cooperative Education II. 6 hours credit. Prerequisites: CH 197 with a C or better and employment in a related field or major program of study. The second in a series of four courses, this course will enable the student to expand knowledge on the job. The student will work a minimum of 75 hours throughout the semester for each credit earned.

### **Course Relevance**

The concepts learned in this class combined with the exposure to real-world work experience will further enhance his/her ability to function productively at the work site. Cooperative Education provides academic elective credit for structured work experience.

### **Required Materials**

Departmental-developed materials will be used.

### **Learning Outcomes**

The intention is for the student to be able to

1. Develop critical thinking skills regarding work-based learning.
2. Broaden his/her experiences in the work environment by achieving agreed upon Cooperative Education objectives.
3. Progress in his/her career with various career development activities.

### **Learning PACT Skills that will be DEVELOPED and/or documented in this course**

Through the student's involvement in this course, he/she will develop his/her ability in the following PACT skill areas:

#### **Analytical Thinking Skills**

1. Critical Thinking
  - The student will be able to identify and define a task, gather information, process the information according to the training plan, generate and communicate an appropriate response.

### **Major Summative Assessment Task(s)**

These learning outcomes and the Learning PACT skills will be demonstrated by

1. Completion of an intermediate portfolio documenting career development activities and agreed upon objectives, including a final self-reflection project evaluating growth toward career goals

### **Course Content**

- I. Themes – Key recurring concepts that run throughout this course:

- A. Expansion of job skills
- B. Problem Solving
- C. Effective relationships
- II. Issues – Key areas of conflict that must be understood in order to achieve the intended outcome:
  - A. Differences in expectations of faculty coordinator, employer, department lead instructor and student
  - B. Interacting with other stakeholders with differing timelines, priorities, objectives and opinions
- III. Concepts – Key concepts that must be understood to address the issues:
  - A. Understand expectations of everyone involved
  - B. Recognize need for continuous improvement
- IV. Skills/Competencies – Actions that are essential to achieve the course outcomes:
  - A. Application of skills and education at the worksite
  - B. Communication between student, faculty coordinator and supervisor
  - C. Demonstration of growth on the job

### **Learning Units**

- I. Foundations of Cooperative Education
  - A. Develop a training plan
  - B. Be familiar with supervisor guidelines
- II. Self-assessment
  - A. Define goals for Cooperative Education experience
  - B. Update resume
  - C. Record hours worked
- III. Career development
  - A. Develop soft skills
    - 1. Communication
    - 2. Problem Solving
    - 3. Teamwork
  - B. Understand requirements of Cooperative Education
  - C. Progress in skills and knowledge at the work site
- III. Conclusion of Cooperative Education
  - A. Create intermediate academic project
  - B. Reflect on accomplished goals
  - C. Submit time worked
  - D. Evaluate Cooperative Education experience

### **Learning Activities**

Learning activities will be assigned to assist the student to achieve the intended learning outcomes through independent study of various texts, case studies, professional journals, student presentations, department created documents and other materials as

required by the training plan and the Faculty Coordinator with input from the supervisor at the work site.

**Grade Determination**

The student will be graded on completion of the intermediate portfolio and other assessment tasks at the discretion of the instructor with input from the supervisor at the work site.
