

APICS CSCP - Certified Supply Chain Professional

With the APICS Certified Supply Chain Professional (CSCP) program, you can take your career and organization in a new and exciting direction. Shape your future, align your goals, and distinguish yourself from the competition. In this challenging global marketplace, only the most well-trained, well-educated professionals will be sought after by employers and valued by organizations. Join their ranks today by earning the APICS CSCP designation.

The APICS CSCP Learning System is a comprehensive professional development and exam preparation program. It consists of four print modules and web-based study tools that reflect the entire APICS CSCP Exam Content Manual and provides you with a broad, encompassing view of global end-to-end supply chain management.

MODULE 1: Supply Chain Management Fundamental

MODULE 2: Building Competitive Operations, Planning, and Logistics

MODULE 3: Managing Customer and Supplier Relationships

MODULE 4: Using Information Technology to Enable Supply Chain Management

Dates: January 20, 2016 to February 24, 2016

COST: \$1,799 and includes the cost of the book
