Re: Course number for
MA123 Quantitative Reasoning
changing to MA130

(Effective Spring 2018)

The following course number change was made after the 2017-18 catalog final edits were made and published.

- Beginning Spring 2018, the course number for MA123 Quantitative Reasoning will be MA130 to better align with the sequence of math courses. No other information contained in the course outline was modified.
