## Background

The EADA requires co-educational institutions of postsecondary education, who participate in Title IV (federal student financial assistance program) and have an intercollegiate athletic program, to prepare an annual report to the U.S. Department of Education. Included in the report is athletic participation, staffing, and its revenues and expenses by men's and women's athletic teams. The U.S. Department of Education will use this information when they prepare their required gender equity in intercollegiate athletics report for Congress.
