- Electronically**, by completing Form I-901, through the Internet (www.FMJfee.com) using a credit card.
- Through the mail**, by submitting Form I-901, together with a check or money order drawn on a U.S. bank and payable in U.S. currency. To obtain form I-901, please contact the Butler International Office or go to www.ice.gov.

Submit the fee at least three business days before the scheduled visa interview either electronically or by mail to the U.S. Department of Homeland Security address listed on the Form I-901. By mail, please allow several weeks to receive your receipt.

Students must bring a paper receipt (Form I-797) with them to the visa interview. This receipt can be printed off after internet payment or will be mailed to the student from the U.S. government. Although some embassies may be able to verify payment electronically, students are encouraged to bring paper receipts (Form I-797).

Visa Interview

It is the student's responsibility to schedule a visa appointment at the local US Consulate or Embassy after paying the SEVIS fee. The receipt Form I-797 is used to schedule the interview. Students should bring to the interview their I-20 (signed), passport, Butler acceptance letter, Form I-797 SEVIS fee payment receipt, completed visa application, financial support documents, evidence that the student will return to their home country, and two 2"X2" photos. What if I am Out of Status and want to transfer? Please see an International advisor as soon as possible.

When is my transfer complete? Under U.S. law, transfer procedures are not completed until the student enrolls in classes and Butler registers this enrollment in SEVIS. The student must also sign a new transfer I-20 with the International Advisor no later than 15 days after the start of the semester for the transfer to be completed. Failure to complete transfer puts the student out of status.

Copies of all previous I-20s, passport, visa, and current I-94 are required for transfer students.

[This expiration period is subject to change.] X-rays also require an annual sign and symptom review by College Health staff.
