Number of New Hours on Course Schedule: _____

Do any of the courses have different starting or ending dates? Yes _____ No _____

Is this a change of degree/major?

Old Degree/Major: _____ New Degree Major: _____

Your monthly education benefit is pro-rated based on your rate of pursuit: the total number of hours and days you are enrolled per month. A class withdrawal may result in an overpayment. If you have questions on how the drop of your course will affect your benefits please check with Amy Cyphers, Certifying Official, at 316-733-3102 or acyphers@butlercc.edu before dropping your courses. Courses must be needed for your current degree program or will not be submitted to VA for payment. All VA benefits students must visit with an Academic Advisor to begin the process of a course add/ drop. All course add/ drops must be processed by the registration office once visiting with an academic advisor.

I acknowledge that I have read and understood the above statements.

Signature _____ Date: _____
