

Annual Department of Nursing HEALTH RECORD

DIRECTIONS: Have your primary health care provider fill out and sign the Health Record and Certification of Immunizations. Both must be submitted College Health as specified in the course syllabus. The physical must be completed no sooner than 3 months before the first day of class.

Name _____ Birth Date _____
Last First Middle

Home Address _____ Phone No. _____

I. MEDICAL EXAMINATION

Physician check if any abnormal history or physical findings:

Table with 2 columns: System (Cardiovascular, Respiratory, etc.) and Remarks. Includes checkboxes for each system.

List all medications student is taking: _____

Are there any health conditions which should be called to our attention (including communicable or infectious disease or latex allergies)? _____

The clinical experience for nursing students may require prolonged standing and walking; frequent heavy lifting, pushing, pulling, carrying; occasional climbing, stooping, balancing, kneeling; constant need for good vision and hearing; ability to tolerate stressful situations; and occasional exposure to hazardous material.

List any contra-indications to participation in clinical nursing experiences, taking in consideration the above requirements, and also any condition the student may have that would pose a safety concern to clients, faculty, students, clinical staff of the facility or to the student themselves.

This is to certify that I have examined this student and find that he/she is able to participate in ANY clinical nursing experiences.
