Simple Steps To A Healthier Life[®]

www.aetna.com

Wellness is a lifelong journey, from staying healthy to managing conditions. The path to wellness is different for each individual, but it must start with getting members engaged in their own well-being.

Now as part of Aetna Healthy CommitmentsSM Enhanced, Premier, and Aetna Health Promise wellness packages, Aetna plan members can earn a \$50 gift certificate for doing something simple and smart for their health.

You will earn a gift certificate from www.aetnarewards.com when you:

- Complete or update your Simple Steps To A Healthier Life health assessment
- Complete a Journey, an online health coaching program*

Once you complete both the health assessment and one online health coaching program, you will earn a \$50 gift certificate. If your spouse is covered under your plan, he or she is also eligible for the same incentive. You can spend it at one of many online or local shops.

It's easy for you:

Step 1: Log in to your secure member website at www.aetna.com.

You will need to register by creating a user name and password, if you have not already.

Step 2: Complete an online health coaching program — or Journey[®].

After completing the health assessment, go to your HealthMap to view your recommended health Directions. Under the Direction, you can embark on a Journey that meets your health needs and interests.

Step 3: Complete your Journey and get rewarded.

Once you complete all of these steps, you'll receive an e-mail from Aetna with directions to claim your \$50 gift certificate. Then go to www.aetnarewards.com to shop.

If you do not receive an email from our gift card vendor within six weeks of completing all required activities, please call **1-877-922-4483**.
