#### **STANDING REPORTS**

<u>Student Government Association</u> – Students have been busy on both campuses with activities since school started back up. They have been purchasing pizza for the student sections during the home basketball games.

This month they are celebrating Black History Month each Friday with a historic African American. Last week they handed out baseballs in honor of Jackie Robinson. This week they will hand out hearts in honor of the first African American to do heart surgery (and since it's Valentine's Day, it was a good fit).

Last week they partnered with BSA and the Foundation to bring in a master flutist who performed jazz and a civil right presentation. They also had an awesome turn out for their Pack the Power Plant event and sold t-shirts and those proceeds go toward the SGA Cancer Fund.

They are also open to suggestions from anyone who might have community service activities or anything else. They want input from everyone.

<u>Operational Staff</u> – OpStaff is getting ready to host the AKCCOP conference April 1-3. Registration opened yesterday and they are excited to host the area community colleges here at Butler. They have amazing presenters lined up including Robert Carlson, Aletra Chaney-Profit, Meg McGranaghan, and Davis Laughlin.

Their other upcoming event is the silent auction at IDD. If you are spring cleaning and have any unwanted items they would be glad to take them off your hands. Just give Amy a call.

<u>Professional Employees</u> – Terry Sader went through a Power Point Presentation (see the end of the minutes) with the Trustees since he had missed their orientation session last month.

Board Finance Committee – NONE

<u>Foundation Board Report</u> – Trustee Rhodes said they have a meeting next week. They are currently working hard on the Annual Benefit Auction which will be held Friday, March 6 at 6:00 p.m.

<u>President's Report</u> – Dr. Krull presented the Board with the HLC Proposal titled "The Expansion and Refinement of Strategic Student Support Processes to Improve Course Completion, Persistence, and Retention" which is a campus wide initiative to support students and help them through goal completion. This project is led by Dr. Phil Speary and will be rolled out over the next five semesters. We expect to hear about acceptance within 8 weeks.

Dr. Krull shared information on several legislative updates that the college is following.

#### HB2515 – Kansas Promise Act

This bill is moving through the committee structure and has a lot of positive support. This bill is for Kansas high school graduates and GED recipients who go directly from completing their degree to a community college could do so for free. This would be last dollar and come behind federal financial aid and pell. It might also require the student to work while going to school. It also requires students to stay in Kansas two years after completion. There are more stipulations in talks right now.

#### SB355 – Dual Credit Bill

This bill has been in conversation for a couple of years and would allow 5 core classes (Comp 1, College Algebra, General Psychology, US History 1, and Public Speaking) to be taken concurrently at no cost to the students. There would be a flat rate paid back to every institution.

#### HB2519 – Student Right to Know

This is similar to HB2144 the Community College Transparency Bill that passed last year and community colleges do not support this bill because it asks for information that is already out and it would be cumbersome task to complete taking significant time and effort to complete.

#### SB299 – Campaign Finance Bill

This bill would require Trustees to provide additional documentation for their campaign expenses.

Each Trustee was given an invitation to the Early College Academy Open Houses to be hosted in Andover and Rose Hill on February 24 and 25<sup>th</sup> at 6:00 p.m. These sessions are for parents to gather more information, but the Academy staff would like to welcome the Trustees to come early and learn more about the programs that are offered.

Dr. Krull also reminded the Trustees to route all questions through the President's Office so that everyone can share the same information and everyone will be in the loop.

Lastly, Dr. Krull thanked Simpson, Gravity::Works and Facilities Management for guiding the Trustees on the Tour of the 5000 Building remodel. We will do another tour in June to see the finished (hopefully) construction.

<u>Education Facilities Authority Report</u> – Trustee Law reported that the board had met on February 6. The Board is made up of 2 representatives from the City, College, and USD as well as 1 at large position. At this meeting, they approved some bills to be paid including a tricaster.

#### MONITOTRING REPORTS

Dean Rick Nichols presented the annual report for the Fine Arts and Communications Division.

#### **BOARD STRATEGIC DISCUSSION – ISSUES AND OPPORTUNITES**

Faculty Development Report – Mark Jarvis shared an update on Faculty Development at Butler including staff updates and trainings that will be upcoming.

#### **BOARD ACTION ITEMS**

<u>Approval of 2021 Meal Plan Rate Recommendations</u> – Bill Rinkenbaugh presented the Board with the proposed rates for room and meal plans for the 2020 school year. The Residence Hall Committee analyzed the room and meal rates and is recommending the following rate structure for FY2020:

Proposal – All Room Rates and Meal Plan Rates			
	West Hall	Cummins & East	BCC Apart.
Meal Plan Charge (19 Meals per Week)	\$2,200.00	\$2,200.00	\$2,200.00
Residence Hall Charge	\$3,120.00	\$4,220.00	\$4,520.00
Total Annual Charge	\$5,320.00	\$6,420.00	\$6,720.00

This option passes through an estimated 3.1% meal plan increase from our food service provider (Great Western Campus Dining), raises the room rates by 2.4% and caps the overall increase to the student residents at 2.8%.

Fire Science Residence Hall:

It is also recommended to increase the Fire Science Residence Hall rate by 2.2% for FY2021.

Current Rates:

- Spring and Fall \$910
- Summer \$660

Recommended Rate Proposal:

- Spring and Fall \$930
- Summer \$670

Trustee Law moved to approve the proposed room and meal plan rates as presented. Trustee Lechtenberg seconded. The motion passed unanimously.
